Children's Centre Services in Barton Hill

Thankyou for taking the time to look at this leaflet. We hope it will provide all the information you need about the facilities available in the community, and where and how to access services.

We work in partnership across four sites:

- Cashmore Early Years Centre,
- St Philip's Marsh Nursery School,
- Barton Hill Settlement,
- Wellspring Healthy Living Centre.

Working together, the service providers share information to support families in our local community.

Staff work across all settings in teams, and you will be able to meet staff at any of the settings.

Each setting has access to the same information about services, so whichever setting you go to, you will get the same information given to you.
