Dear Parents/Carers,

We have now allocated all the spaces available for children who meet the government criteria for nursery places, and 24 additional places for children in line with the schools admissions policy for the duration of the Covid 19 regulations.

Due to DFE regulations and for the health, safety and wellbeing of children, staff, families and the wider community we have had to substantially reduce the number of children and adults on site at any one time.

All parents whose children have been allocated a place have been informed. If you have not heard from us this means that we are not yet able to welcome your child back. Please be assured that we will do as soon as we are able to, and that your child's place is secure.

We understand that this may be very difficult for you as a family and we are doing everything we can to make the necessary adjustments within the school so that we can continue to increase the numbers of children who can return.

If you have any queries regarding this, or would like to discuss in confidence your situation with myself or Denise Draper (Deputy Head/SENCO) we would be very happy to help in any way we can.

Thank you for your understanding in this very difficult situation.

Yours sincerely,

S. Holmes
